Qingdao Joint Well Caps Co.,Ltd
Jinling Industrial Park, Chengyang District,
Qingdao 266111 China

Dear Ashley,

Through the U Trust™ verification program, using Fiberprint™ technology, Unifi is pleased to advise you that the following sample as referenced below has passed the REPREVE® Certification Standards:

Style Number: UNIFI RPET 904257

Program: Outdoor

Content: 100% REPREVE Recycled Polyester

Structure/Construction: Woven, Twill

Yarn Information: Warp& Weft: 1.4*38mm REPREVE recycled polyester fiber+ Other

Applicant Information:

REPREVE® Certification Number: RPV-6954

Issue Date: 12/20/2018

Expiration Date: 12/20/2019

*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi, Inc. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged or otherwise altered or amended in any respect.

U Trust™ verification does not warranty the content or performance of any product beyond the submitted sample. It is the responsibility of the Brand/Retailer to verify production orders have received the UTrust Certification.

Best regards,

Luka Yuan
